ARTICLE II

AUTHORITY AND TERM

Section 1. The Employer and the Lodge have, by these presents and in accordance with the Fire and Police Arbitration Act, 11 O.S. §§ 51-101 – 51-113 , reduced to writing this Collective Bargaining Agreement (“Agreement”) resulting from negotiations entered into by the Employer and the Lodge.

Section 2. This Agreement shall become effective on the first day of July 2016, and shall remain in full force and effect until midnight, June 30, 2017. Notwithstanding this provision regarding the term of the Agreement, the parties acknowledge that the Employer must comply with the Constitution of the State of Oklahoma and State statutes in all matters dealing with budgets and expenditures. The Employer must comply with 11 O.S. § 17-201 *et seq.* specifically, providing for the appropriation of moneys by the Employer’s governing body (the Glenpool City Council). The parties herein agree that all portions of this Agreement are subject to the appropriation of adequate and sufficient funds for which adoption must be considered by the governing body of the Employer prior to adoption of the Employer’s 2016-2017 Fiscal Year budget.

In the event that the Employer is unable to, or fails to appropriate adequate funds by the end of 2016-2017 fiscal year of this Agreement, the one hundred and twenty (120) days notification period set forth in 11 O.S. § 51-112 of the Oklahoma statutes shall be waived and the parties shall immediately enter into good faith collective bargaining for the agreement to be effective during the 2017-2018 fiscal year. Additionally, the Employer agrees to notify Lodge by April 1st of 2017 if the City anticipates being unable to appropriate adequate funds for the 2017-2018 fiscal year. In the event Employer provides said notification to Lodge, the one hundred and twenty (120) days notification period referenced above will be waived and the parties shall immediately enter into good faith collective bargaining.

Section 3. Whenever wages, rates of pay, or any other matters requiring appropriation of monies by the Employer are included as a matter of collective bargaining, it shall be the obligation of the Lodge to serve written notice of request for collective bargaining on the Employer at least one hundred twenty (120) days prior to the last day on which monies can be appropriated by the Employer to cover the Agreement period which is the subject of the collective bargaining procedure, except as set out in Section 2 above.

Section 4. It shall be the obligation of the Employer and the Lodge to meet at a reasonable time and confer in good faith with representatives of the Lodge and Employer ten (10) days after receipt of written notice from the Lodge or the Employer requesting a meeting for purposes of collective bargaining.

Section 5. In the event the Lodge and the Employer are unable, within thirty (30) days from, and including the date of the first meeting, to reach an agreement, any and all unresolved arbitrable issues may be submitted to arbitration at the request of either party, provided that the parties agree not to do so long as they continue to negotiate in good faith.

Section 6. In the event of any unanticipated change in state law or regulations or circumstances external but applicable to this 2016-2017 fiscal year Agreement that would potentially alter any terms or conditions of this Agreement, the Employer agrees to negotiate any such items and, if a change results, such change will be memorialized by memorandum of understanding without amending this Agreement.

ARTICLE III

Section 3. Any controversy between the Employer and the Lodge or any Employee concerning the interpretation, enforcement or application of any provision of this Agreement or concerning any of the terms or conditions of employment contained in this Agreement (“alleged occurrence” being the incident or dispute giving rise to the controversy) shall be adjusted in the following manner:

- First Step: An Employee believing himself to be aggrieved shall first discuss the matter with his designated Lodge Representative.
- Second Step: If the Employee and his Lodge Representative believe the grievance to be well founded, such grievance shall be presented to the Chief of Police or his designated Representative within ten (10) business days of the alleged occurrence giving rise to the grievance. Chief of Police shall provide a response within ten (10) business days from receiving the grievance. All matters within the First Step and Second Step may be presented and responded to orally or in writing.
- Third Step: If the grievance is not satisfactorily resolved in the Second Step, the Employee may, within ten (10) business days of receiving the Chief of Police or designee’s answer in the Second Step, be orally presented by the Employee and the Lodge Representative to the Chief of Police and the City Manager or his designee. An oral response shall be provided within ten (10) business days of this meeting.
- Fourth Step: If the grievance is not resolved in the Third Step, a formal written grievance directed to the City Manager, or his designee, shall be presented within ten (10) business days of the oral response provided in the Third Step. The City Manager, or his designee, shall have ten (10) business days to provide a written response to the formal written grievance.
- Fifth Step: If the grievance is not satisfactorily resolved in the Fourth Step, the Lodge shall notify the City Manager, or his designee, in writing within ten (10) business days after receipt by the Lodge Representative of the foregoing written response from the City Manager, or his designee, that the grievance is either being withdrawn or that the Lodge desires to proceed to arbitration. If

the grievance is withdrawn, the process shall conclude at this Fifth Step.

Sixth Step:

If the matter is to proceed to arbitration, the City Manager, or his designee, shall submit the answer provided in Step Four, in writing, to the Police Chief, the Employee(s) involved, and the Lodge Grievance Committee within ten (10) business days following the Notice required by the Fifth Step. If the City Manager and the Lodge Grievance Committee have not settled the grievance within that time, it shall be submitted to arbitration as follows:

1. The parties shall request a list of five (5) arbitrators from the Federal Mediation and Conciliation Service (FMCS).
2. Within ten (10) business days from the receipt of such list, a representative of the Lodge and the City shall meet and alternately strike names until one (1) arbitrator remains who shall be selected as the impartial arbitrator. The City shall strike the first name.
3. Either party may notify FMCS and, through FMCS, the person selected as the impartial arbitrator of their selection no later than ten (10) business days after the selection.
4. The date for the arbitration hearing shall be set within ten (10) business days from the date the arbitrator is notified of his selection; provided that any delay resulting from action or inaction of the arbitrator and due to no fault of either party shall be excused.
5. Within twenty (20) business days after the conclusion of the hearing, the arbitrator shall issue a written opinion containing findings and recommendations with respect to the issues presented. A copy of the opinion shall be mailed or delivered to the Lodge and the City.
6. With respect to the interpretation, enforcement or application of the provisions of this Agreement, the decision, findings and recommendations of the arbitrator shall be deemed final and binding on the parties to this Agreement.
7. The arbitrator's authority shall be limited to the interpretation and application of the terms of this Agreement and/or any supplement or amendment hereto. The arbitrator shall have no jurisdiction to establish provisions of a new agreement or variation of the present Agreement or to arbitrate away, in whole or in part, any provisions or amendments hereof. This shall not preclude individual wage grievances.

8. The cost of the impartial arbitrator shall be shared equally between the Lodge and the Employer. If a transcript of the proceedings is requested, then the party so requesting shall pay for it.

Section 4. All time limits set forth in this Article may be extended by mutual consent but, if not so extended, they must be strictly observed; provided that delays caused by the arbitrator, as provided by paragraph 4 of the Sixth Step, shall be excused.

Section 5. It is specifically and expressly understood that filing a grievance under this Article which has as its last step, final and binding arbitration, constitutes an election of remedies and a waiver of any and all rights by both parties, the Lodge or other representatives of the party, to litigate or otherwise contest the findings and decision of the arbitrator rendered through the Grievance Procedure, in any Court or other appeal forum.

The officer's notification and their responses, if any, shall be forwarded to the Chief of Police.

In the event an officer qualifies for multiple promotions, the officer will be considered for the highest position first. If the officer is not selected for that position, the officer can still be selected for a lesser supervisory position. The officer has the right to refuse being considered for the highest position available and will notate this in their written application submitted to the Chief's Office.

For the good of the department, the Employer will post and fill any supervisory vacancies within sixty (60) days of the vacancy.

Step 2. Upon completion of the ten (10) business day posting period, the Chief of Police shall make available any applicable study material and preparation guides.

Upon all promotional applicants receiving their study materials, a study period of thirty (30) calendar days will commence. Promotional testing shall commence on the 30th day following the issuance of study materials. This time frame can be extended due to exigent circumstances upon the agreement of the Chief of Police and the FOP Lodge.

Step 3. The department shall set up a single testing date for all the promotional officer applicants to be tested. The written test shall be the same for all supervisory positions. This test shall be created from similar material as the study guide made available to the officers. The completed test shall be retained and secured by the Promotional Committee. Tests shall be scored by the Promotional Committee in the presence of the Director of Human Resources following the completion of the Oral Review Boards. All written test scores will be sealed until after all testing procedures have been completed.

Step 4. The Chief of Police shall set a date, or if necessary, a number of consecutive dates for interviews by the Oral Review Board. These interviews shall be administered by the Oral Review Board and overseen by the Promotional Committee. Officers who have completed Steps 1 through 3 shall be assigned a time for their oral review. Each member of the Oral Review Board shall then, through a series of questions and answers, evaluate the officers, one at a time. During each interview the members of the Oral Review Board shall independently score the candidate on a point basis of one (1) through five (5) per question, with a total of five (5) questions being asked and a total possible score of seventy-five (75). The exact questions to be asked of all candidates for a particular position will be agreed upon by the Chief of Police and the Promotional Committee prior to the commencement of the oral interviews.

Step 5. Officers who have completed Steps 1 through 4 shall then be scored using the Supervisor Recommendation Form which will be completed using the approved form (Appendix 6). After completion, these forms will be delivered to the Chief of Police and forwarded to the Promotional Committee.

Step 6. The Promotional Committee shall then set a date, time and location to convene. It shall be the Promotional Committee's responsibility to evaluate and score all officers who have completed Steps 1 through 5. These scores shall be compiled from the results of the Written Test, Oral Review Board, and Supervisor Recommendation Forms. The means of determining these scores is outlined in Appendices 1 through 3. When all the officer applicants have been scored, from the minimum of zero (0) to the maximum of two hundred fifty (250), then the Promotional Committee shall compile a list of the names and awarded points, with the highest point value first. Promotions for each position will be filled on the following basis:

- a) The highest point value for each position tested and the names of the officer(s) to be promoted shall be listed first;
- b) The second highest point value and name of the officer(s) shall be listed second;
- c) Subsequent names and point values shall be listed in declining order according to the total point values earned.

The Promotional Committee shall provide the testing results, as provided above, to the Chief of Police.

Step 7. Those officer(s) receiving promotions will be subject to a three (3) month and a six (6) month evaluation. Those officer(s) will also be placed on a six-month probationary period. If his/her immediate supervisor, the Lieutenant, Deputy Chief and the Chief of Police all agree, based upon documentation, that the officer(s) cannot perform the requirements of the new position, the officer(s) will be returned to his/her former rank and the vacancy will be filled in accordance with the testing procedure set forth in Section 9.

Section 10. In the case where there is a conflict in seniority due to officers being promoted to the same rank on the same date, the senior officer will be determined based on their position on the list provided to the Chief of Police of the names and awarded points per Step 6 of Section 9.

Section 11. Any eligible officers who choose to know their scores, point value, or position on the list compiled by the Promotional Committee may do so by making a written request. This written request must be submitted within thirty (30) calendar days of the actual promotion and must be submitted to the Promotional Committee. The Promotional Committee, upon written request, shall notify the officer, in writing, of their individual score, point value, and positioning on the promotional list. All test scores will be maintained for a period of one (1) year by Human Resources. At the completion of that year each officer's scores will be placed in their personnel file.

Section 12. All decisions and findings made in accordance with these guidelines shall be subject to review as set out in the Grievance Procedure Article of this Agreement.

Section 2. If two or more employees select the same CLEET training and due to manpower or course attendance or course attendance permits, the senior employee shall attend.

Section 5. *Procedure.* An Employee who is unable to report for work due to one of the above reasons shall report his absence to his/her supervisor within one hour from which time he/she is expected to report for work. Sick leave with pay will not be allowed unless such a report is made. Any reports of absence beyond one hour shall be granted with or without pay, at the discretion of the department head.

Section 6. *Accumulation.* Sick leave may be accumulated to a maximum of seventy two (72) working days. An Employee who consumes all the sick leave benefits for which he/she is eligible, shall be placed on inactive status, without pay if so determined necessary by the department head and approved by the City Manager.

Section 7. *Separation.* Upon separation, an Employee will not be compensated for any unused sick leave.

Section 8. *Unauthorized use of sick leave.* If upon investigation, the City Manager or the department head does not consider the circumstances warrant, or did not warrant the absence of an Employee, the Employee shall be required to charge the absence to vacation leave or leave without pay, rather than sick leave and be subject to disciplinary action.

Section 9. Any Employee who leaves city employment and returns within a one year period is entitled to reinstatement of sick leave in the exact amount as was accrued prior to his resignation. Only those Employees in good standing may qualify for this benefit.

Section 10. The City Manager may require periodical physician's statements as to the condition of the employee. In the event an Employee refuses to submit to examination by a physician designated by the Employer, the refusal shall be just cause for terminating all benefits provided by this section. After exhausting the six (6) month injury leave, with permission from the City Manager, an Employee may use his/her sick leave benefits, not to exceed sixty (60) days. He/she will be compensated on a supplemental basis to maintain him at full salary level. After exhausting injury leave and sick leave (with permission), an Employee may be placed on "inactive status" and be eligible to return to work when released by his physician and a vacancy occurs at a comparable rate of pay, or he/she may be terminated for disability reasons.

(B) No benefits shall be payable under this section for any injuries occasioned by the willful intention of the injured Employee to bring about injury to himself or another, or where the injury results directly from the willful failure of the injured Employee to use a guard or protection against accident furnished for his use or where the injury results directly from the intoxication of the injured employee while on duty, or where the injury results directly from horseplay, playing, or pranks engaged in by the injured employee, alone or with others. All benefits provided by this section, except total amount of compensation paid hereunder, shall be in addition to and separate from any sick leave benefits.

(C) Employees on occupational injury leave with pay shall be returned to duty at the earliest practical date and may be assigned to light or limited duty by the Employer as determined by the Employee's physician and/or the City Manager when the Employee's physical condition permits such

assignment. Duty assignment of this type may be without reference to the Employee's job classification or departmental assignment.

(D) Employees on probation shall not be eligible for occupational injury leave with pay benefits for injuries incurred during such probationary period. Such employees shall be entitled to all benefits provided by the Oklahoma State Workmen's Compensation Act.

(E) In the event an Employee is so injured, as described in the preceding section, it will be the responsibility of the person directly in charge of such employee to prepare an accident report concerning such injury, containing how, where, and when the injury occurred, together with all pertinent information available. Said report to also contain the names and addresses of all witnesses and fellow employees that were at the scene of said accident, and a general outline of the extent of injury sustained. All written accident reports shall be transmitted to the Human Resources Director not later than twenty-four (24) hours after the occurrence thereof.

(F) An Employee on occupational injury leave benefit cannot work for another employer during the time he is drawing this benefit from the city.

LIGHT DUTY

Section 1.

A. Purpose

The purpose of this policy is to clarify the conditions under which the Employer will place an Employee on restricted or light duty and to provide guidance to the Department for administering the policy consistently. B. Definition

Temporary Modified Duty Assignment (Light Duty) for the purposes of this policy shall mean the assignment of an Employee suffering from an injury, illness, or diagnosis which requires significant modification of the Employee's normal work assignment and/or responsibilities. Such assignments shall not result in loss of pay or benefits, nor create any permanent positions or any change in formal classification, and shall be considered a temporary response to a short-term situation for the mutual benefit of the Employee and the Employer. Light duty allowed for Employees while on Sick Leave is contingent upon the Employee's request, approval of which is at the sole and absolute discretion of the City and the Chief of Police on a case-by-case basis. In no case shall the City create otherwise unnecessary or non-existent work duties for the purpose of assigning a unit Employee to light duty. All such assignments shall supplement, not supplant, existing assignments within the City.

C. Scope

If there is conflicting medical information and/or opinions among physicians treating the Employee, an independent opinion from a physician selected by the Employer may be utilized to determine medical fitness for full or light duty.
2. The Chief of Police or his/her designee is responsible for monitoring and administering this policy. All requests or recommendations for light duty assignments will include the physical restrictions placed on the Employee by the treating physician. These restrictions will be reviewed by the Chief of Police to determine availability of light duty work and in which light duty position the Employee will be placed. The Chief of Police, with guidance from the Employee's physician, will monitor the Employee's progress in returning to a full duty status.
3. Supervisors who are assigned Employees on light duty are responsible to ensure that the Employee fully understands and follows work modification requirements set forth by the Chief of Police and the Employee's physician.
4. Employees assigned to light duty will be responsible for providing the Chief of Police with a note from the treating physician, no less than once every thirty (30) days, to ensure a continuation of treatment, whether on light duty or injury leave.

E. Non-Compliance (Line of Duty)

An Employee's refusal to accept a modified duty assignment which he/she has been deemed medically qualified to perform, or an Employee's non-compliance with the work modifications set forth by the

Chief of Police and the treating physician will result in the termination of the Employee's light duty assignment.

F. Conditions

The City will consider placing an Employee on light duty assignment for valid reasons including but not limited to the following.

1. To assist an Employee with recuperation from an on or off the job related injury or illness by reintroducing them gradually to the demands of their full-time position.
2. To conserve resources by having a recuperating Employee assist other Employees of the department in the performance of their duties, provided that such assistance shall not exceed the recuperating Employee's work limitations.
3. To avoid placing a temporarily incapacitated Employee in a position that may aggravate an existing injury or illness or risk harming themselves, co-workers or other persons by assigning them instead to constructive work they can perform within the restrictions of the Chief of Police and treating physicians or by allowing them to attend training classes.
4. To enable an Employee to continue to provide constructive work production while waiting to have a scheduled medical procedure (surgery, test, MRI, CT Scans, etc.).

It is the purpose and intent of this Article XXV to articulate the scope of those due process rights and to provide a method whereby complaints against Employees shall be processed and handled in such a manner as to afford all appropriate safeguards.

Section 2. Complaint Procedures.

- a. All complaints implicating Employees from any source, whether civilian, non-union departmental or City employee or fellow officer must be referred to the Chief or the Assistant Chief.
- b. All sworn officers who observe or receive information concerning misconduct by any Employee shall refer the complaint to the Chief of Police or the Assistant Chief, or in the event neither is available, a supervisory officer. Any supervisor who receives a complaint against an Employee shall forward a sealed copy of the Complaint Report to the Chief of Police as soon as possible.
- c. All complaints from the public must be submitted on a Glenpool Police Department Complaint Report and, whenever possible, should be taken by the Chief or Assistant Chief. If neither is available, the complaint may be taken by the supervisor on duty.
- d. Civilian employees are not authorized or allowed to take citizen complaints regarding officer Employees. However, civilian supervisors may accept complaints regarding civilian employees.
- e. If the complaint is internally generated, it may be reported to the Chief or Assistant Chief in writing as permitted by the discretion of the City Manager, Chief or Assistant Chief. It is prohibited for any complainant who is an Employee or civilian employee of the City of Glenpool to discuss the content of such a complaint with any person other than the individual taking the complaint. In the event that an internal complaint is received by the City Manager, it shall be forwarded either verbally or in a sealed envelope to the Chief of Police as soon as possible.
- f. As a matter of policy, a written complaint (along with any supporting documentation) shall be required in all cases of any person making a complaint against an Employee unless an extenuating circumstance warrants a verbal report. If a written statement is not given, the complaint may be given credibility and disposed of in the most appropriate manner as determined by the Chief of Police. The lack of a written statement by a complainant shall not invalidate a complaint, but the Chief of Police may give the appropriate level of notice to this fact.
- g. In the event that a complaint concerns a matter that can be explained to the satisfaction of the complainant, the subject Employee should attempt to explain the situation to the complainant. If the explanation satisfies the complainant, no Complaint Report needs to be filled out and the complaint shall be deemed resolved without further action or record.

- h. Complaints that arise from a dispute between an Employee and a civilian over guilt or innocence of an accused person will not be investigated pursuant to this Article XXV. Complainants in such cases shall be advised to pursue adjudication through the court system.
- i. The Chief of Police or Assistant Chief is required to ensure that each complaint not informally resolved is assigned a “complaint control number” and logged into the departmental index system, to include at least a log book that is maintained in a secure, confidential location and will contain records indexed for quick reference by control number (not by name of Employee) of all complaints, notices of investigation, statements, interview records and disposition records pertaining to every complaint submitted. The index system shall be designed to allow quick referral to any complaint and provide security against access to the records of complaint reports by unauthorized persons. All records of complaint investigations shall be stored as to maintain the confidentiality of the investigation. Complaints that are unverified or the subject Employee is otherwise exonerated shall be destroyed and no record of such complaint may be maintained in any form.
- j. The Chief of Police, or his designee, will supervise and control all investigations of alleged misconduct within the Department in accordance with procedures mandated by this Article XXV.

Section 3. Preliminary Inquiry.

The Chief of Police or Assistant Chief shall maintain administrative control over all complaints and will be responsible for conducting a preliminary inquiry as to the validity of the complaint, whether from a citizen or internal. The preliminary inquiry may consist, without limitation, of a review of all records or reports as well as any audio or video recordings that may exist. The preliminary investigator may conduct such interviews of supervisory personnel as may be deemed helpful or necessary, provided that the preliminary inquiry shall not include any interview or interrogation of the subject Employee(s) unless the Employee(s) have been fully informed of their rights and responsibilities in accordance with the Notice of Investigation provided by Section 5 of this Article XXV. Preliminary discussions with supervisory personnel within the Police Department, in relation to a complaint received, shall not be considered an interrogation within the meaning of this Article XXV.

If the preliminary investigation discloses there has been no misconduct, or that any reported misconduct has been satisfactorily resolved, there will be no further investigation and there should be no further mention of the incident complained of. The investigation will be closed and no record shall be maintained.

If the preliminary investigation indicates to the Chief of Police or Assistant Chief that there is reason to believe the complaint may be substantiated, the Chief of Police (but not the Assistant Chief)

shall proceed with the formalities of a more complete investigation and, if appropriate, disciplinary actions in accordance with all procedures and safeguards provided by this Article XXV.

Section 4. Administrative Leave Option.

If the Chief of Police determines that further investigation of the complaint is warranted, and depending on the severity of the allegation(s) in the complaint, the Chief of Police (but not the Assistant Chief), with the concurrence of the City Manager, will decide whether to place the subject Employee on administrative leave (with pay) during the course of the investigation.

Administrative leave may be assigned as relief from duty (sent home) or assigned to administrative duties within the Department.

An Employee on administrative leave shall retain full police powers, their badge, commission card and firearm except as stated otherwise in this Section 4. If the preliminary investigation revealed a reasonable likelihood that retention of police powers and equipment may place the Employee or the public at risk, the reasons for this conclusion must be documented and the Chief of Police will personally notify the Employee to surrender his badge, gun and commission card before going on administrative leave.

Section 5. Notice of Investigation.

If the Chief of Police, following the preliminary investigation, determines that further investigation of the complaint is warranted, the Chief of Police must give any Employee who is the subject of an investigation a written statement (“NOTICE OF INVESTIGATION”). A Notice of Investigation must include, without limitation, the following information:

- a. The allegation(s) of misconduct being investigated; and
- b. A statement advising the Employee of the possibility of disciplinary action following the conclusion of the investigation; and
- c. A statement of the Officer’s rights (including the right to representation by the Lodge and/or by legal counsel; and the right to request an interview of any person of his choice as a witness) and responsibilities (including the obligation to cooperate fully in the investigation upon penalty of insubordination, as well as notice that no self-incriminating statement, nor the fruits of any such statement, can be used against the Employee in subsequent proceedings (the “**Garrity Statement**”).

No interrogation of an Employee who is the subject of an investigation nor interview of any witness (whether civilian or any employee of the City of Glenpool) may be conducted until the Notice of Investigation is given to the subject Employee. If an interrogation of the subject Employee, or an interview of a potential witness, is scheduled, the Notice of Interrogation must be provided at least three days in advance.

Section 6. Conduct of Investigation/Interrogation.

- a. The person conducting any investigation/interview shall be the Assistant Chief or a supervisory officer designated by the Chief of Police (the "Investigating Officer").
- b. Interrogation/interview sessions shall be for reasonable periods of time and shall be timed to allow for such personal necessities and rest periods as are reasonably necessary.
- c. Any Employee being interrogated/interviewed shall not be subjected to offensive language or threatened with any kind of disciplinary action to compel testimony (provided that such Employee may be reminded that failure to cooperate may result in a finding of insubordination and disciplinary action, if so stated in the Notice of Investigation/Garrity Statement). No promise of reward shall be made as an inducement to obtain testimony or evidence.
- d. The Employee being interrogated/interviewed shall, in addition to the Notice of Investigation and at the commencement of the interrogation/interview, be completely informed of all his rights pursuant to this Article XXV and of his responsibility to answer all questions. This notification shall be included on the tape recording or in the written record of any interrogation/interview.
- e. At the request of any Employee being interrogated/interviewed, he shall have the right to be represented by legal counsel or any other representative of his choice who may be present at all times during such interrogation, at no expense to the Employer.
- f. The interrogation/interview of Employees may be taped or recorded in written form at the discretion of the Investigating Officer. Employees being interrogated/interviewed may record the proceedings with their own device or make a written record at their own expense. Records and tapes compiled by the Department shall be exclusively retained by the Department as confidential information, but may be used by the Investigating Officer to make his final findings of fact and recommendations to the Chief of Police at the conclusion of the investigation. If the investigation results in disciplinary action, the Employee shall be entitled to request a copy of all recordings or written records of the interrogation/interview, as well as all evidence presented during the course of the interrogation/interview.
- g. All questions shall be narrowly focused on, and relevant and pertinent to, the subject matter of the complaint. If any additional violations are alleged because of evidence presented during the course of the investigation, the Investigating Officer shall consult with the Chief of Police prior to investigating such newly uncovered alleged violation(s). The Employee being

investigated/interviewed shall be informed in writing at that time that the investigation may be expanded to include the additional alleged violations.

Section 7. Communication of Results.

Investigations of alleged misconduct shall be concluded, and a report of findings and recommendations made to the Chief of Police by the Investigating Officer, as promptly as practicable under the circumstances and considering the complexity of the investigation. The Investigating Officer shall submit weekly progress reports to the Chief of Police during the course of the investigation if it lasts more than one week. The investigation should be completed within thirty calendar days unless the scope of the investigation prevents its completion in that time period. The Chief of Police must approve extensions of the thirty-day time limit.

The Employee under investigation shall receive written notification from the Chief of Police as to the determination of the investigation.

If the Employee is exonerated of the complaint by the investigation process, the complaint shall be deemed unfounded and unsubstantiated. The complainant shall be advised of this outcome and any records of the investigation shall be sealed and retained in a secure and confidential location.

If it is found that the Employee committed misconduct alleged by the complaint, the Chief of Police shall make a determination as to appropriate discipline. That determination shall be communicated to the Employee in writing, along with all reasons for making such determination.

Section 8. Potential Disciplinary (and Non-Disciplinary) Actions.

In addition to the performance of their normal duties in a professional manner as prescribed by departmental operations procedures (SOP 200 – 295, as they may be amended, revised, supplemented or superseded), all Employees are required to maintain high standards of conduct, cooperation, efficiency and attitude in compliance with departmental general rules of conduct (SOP 110, as it may be amended, revised, supplemented or superseded). The Chief of Police or his designee shall direct Employees in a manner to achieve these objectives. Employees are held responsible and accountable for their own work performance, attitudes and behavior. Whenever work habits, conduct, or attitude fall below acceptable standards, the Chief of Police shall take immediate remedial steps to bring improvements. Such remedial steps may fall within a spectrum from informal discussion and advice to formal disciplinary action.

The following violations, without limitation, are among those considered just cause for disciplinary action: (i) Gross neglect of duty or refusal to comply with a supervisor's lawful instructions, unless such instructions are injurious to the Employee's or the general public's health or safety; (ii) Disobedience, insubordination or dishonesty; (iii) Indulging in offensive conduct or using offensive language towards the public or in public towards employees of the City of Glenpool; (iv) Any form of disorderly conduct or conduct not becoming a police officer; (v) Known criminal associations; (vi)

Misuse of departmental equipment or materials; (vii) Falsification of an official police record. Violations of law resulting in criminal conduct are outside the scope of this Article XXV; (vii) Excessive use of force or any other unwarranted belligerent or disrespectful conduct toward one or more citizens; and (viii) Intentional or repetitious violations of departmental written directives, including without limitation SOP's, policies, special directives, training materials, personnel directives, memoranda, or rules and regulations.

After receiving the report of findings and recommendations, following an investigation in a manner consistent with this Article XXV and which includes findings of a violation of any departmental standard operating procedure, any otherwise stated policy of the Department, or any of the foregoing standards of conduct, the Chief of Police or, as applicable, the City Manager shall determine the appropriate disciplinary action.

The Department may, as warranted and in accordance with the Employee's right to substantive and procedural due process as provided by this Article XXV, impose one or more of the following disciplinary actions:

- (1) Oral Reprimand (record of oral reprimand to be made and entered into the affected Employee's Personnel File)
- (2) Written Reprimand
- (3) Shift Reassignment
- (4) Suspension without pay
- (5) Demotion, in rank and/or pay
- (6) Termination

If the disciplinary action to be imposed is either of an oral reprimand, written reprimand or shift reassignment, such action may be taken directly by the Chief of Police. A record of the disciplinary action and the reasons for it shall be directed to the Director of Human Resources to be included in the Employee's personnel file.

If the disciplinary action to be imposed is either of suspension without pay, demotion or termination, such actions may be taken only by the City Manager, with the concurrence of the Chief of Police and counsel of the City Attorney. The City Manager will provide the Employee with a letter documenting the disciplinary action. A record of the disciplinary action and the reasons for it shall be directed to the Director of Human Resources to be included in the Employee's personnel file.

In cases deemed appropriate by the Chief of Police, the consequence of a finding that a complaint has been substantiated may not result in formal disciplinary action as provided by this Section 8. Documentation of the infraction and remedial action to be taken by the Employee, or training to be provided by the Department, may be reduced to a written Supervisory Notice. Such Notice

will detail the Employee's deficiency/policy violation will be directed to the Employee and a copy routed to the Director of Human Resources to be placed in a file to be maintained separately from the Employee's permanent personnel file. The Notice will be retained on file for one (1) year and will be automatically purged upon expiration. Such Notices may be used for documentation related to an Employee's annual evaluation. For purposes of this Article XXV, a Supervisory Notices shall not be classified as a disciplinary action, but rather a management tool to keep Employees and management aware of ongoing employee performance.

Section 9. Appeal/Grievance Procedures.

If disciplinary action to be imposed is either an oral reprimand, written reprimand or shift reassignment, such action may be appealed to the City Manager, whose decision shall be final. The Employee shall nevertheless have recourse to the grievance procedure provided by Article IV of this Agreement.

If the disciplinary action to be imposed is either of suspension without pay, demotion or termination, such actions may be taken only by the City Manager and may be appealed only through the grievance procedure.

In all cases a record of the disciplinary action, the reasons for it and the result of any appeal shall be directed to the Director of Human Resources to be included in the Employee's personnel file.

An appeal of a disciplinary action may result in either of:

- a. The Employee is exonerated and all discipline shall be vacated and the officer returned to the status and benefits as he had before the discipline was imposed; or
- b. The discipline imposed shall be sustained and remain in place; or
- c. The disciplinary action may be modified, provided that such modification may only result in a disciplinary action of lesser severity or a Supervisory Notice.

Disputes, disagreements or grievances resulting from any lack of clarity in language or otherwise arising for any reason in connection with the implementation of this Article XXV, and not resolved by internal appeal, shall be resolved through the grievance process provided by Article IV of this Agreement.

Section 10. Fundamental Rights.

- a. No Employee shall be suspended, discharged, demoted, transferred, reassigned or denied promotion or otherwise be disciplined in regard to his employment, or be threatened with any such treatment, by reason of his exercise of the rights granted by this Article XXV of this Agreement.
- b. Employees are afforded any and all rights, protections, and guaranties, granted to any other employee of the City of Glenpool by the Constitutions of the United States and the State of Oklahoma, as well as any and all federal, state, and municipal laws, and ordinances.

- c. No Employee shall be required to disclose the Employee's own or any member of the Employee's family or household's income, assets, debts, expenditures, or other financial information unless such information is unequivocally relevant to the investigation of a complaint, a conflict of interest investigation, or otherwise required by State or Federal Law.
- d. No Employee shall be required under any circumstance to donate or contribute to any type of political or charitable campaign.
- e. An Employee shall have the same rights and responsibilities to conduct the Employee's private, personal, or social life as other employees of the City of Glenpool, provided that such conduct does not jeopardize, degrade, or interfere with the interests or functions of the City or the Police Department.

Section 11. Probationary Employees.

The parties to this Agreement recognize the right of the Employer to implement a probationary period for newly hired Employees. It is the intent of the parties that probationary Employees shall not be entitled to the protections set forth in this Article XXV and agree that probationary Employees may be terminated for any cause, or without cause, without the right to proceed to arbitration.

Section 12. Criminal Investigations.

This Article XXV applies only to internal investigations of complaints that might reasonably be expected to result in administrative disciplinary proceedings and has no application to complaints alleging criminal conduct of any Employee. "Criminal" means that a sustained complaint could conceivably result in the filing of a criminal charge. Any complaint classified as a criminal complaint shall be reported immediately to the City Manager and sent to the Criminal Investigations Commander, as designated by the Chief of Police, for follow-up investigation and action in accordance with departmental SOP 320; CLEET policies; and any other applicable lawful requirements. In unusual circumstances, the Chief of Police may request the assistance of an outside agency such as the O.S.B.I. or the F.B.I. or D.E.A. to assist in conducting an internal criminal investigation.

IN WITNESS WHEREOF, the parties have hereunto set their hands this 20th day of June, 2016.
