

Public Notice:

**2018 Code Adoption and Amendments**

On December 13th, 2021, the City Council approved and adopted amendments to Title 10 Building Regulations (Ordinance 796). This included the adoption of the 2018 ICC International Codes.

Builder/Contractors, please be sure to read the amendments/changes to Title 10. There are many changes that will need to be known prior to plan submittal and before construction begins.

*\*The adopted code and amendments will be effective any permits for which plans have been approved for construction on or after April 15th, 2022. \**

To access a copy of the ordinance, see below:
